FROM THE VICE PRINCIPAL

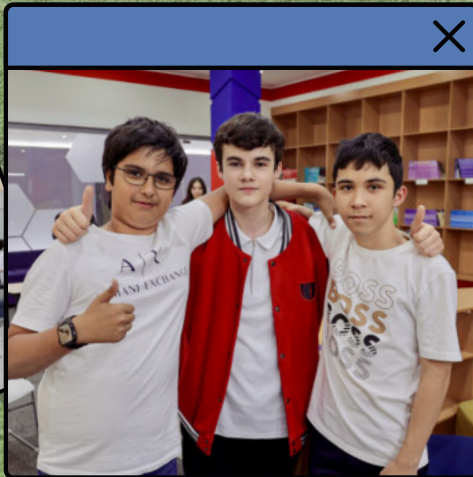

Jean-paul Bhikarry

High School Vice Principal

Having taught each of you and watched you grow, I couldn't be more proud. This year brought its challenges, but your resilience and determination have been truly inspiring. You are an exceptional group of students, and

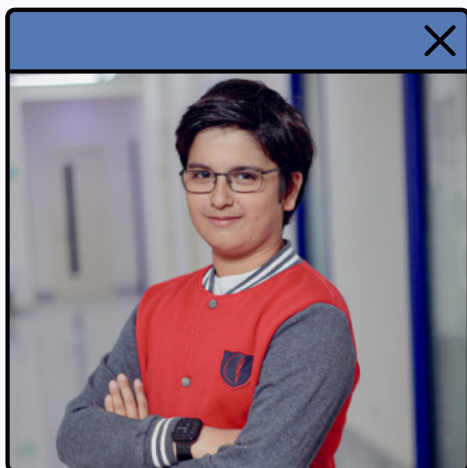

it continues to be my privilege to be part of your journey. As you move forward into the next chapter, I'm confident that our future is in great hands with young people like you.
