# A DISTINCT APPROACH TO EDUCATION

At the Canadian School of Tashkent, we educate our students to reach their full potential. We do so with utmost passion, creativity, and a determination to see our students learn, grow, and excel at the national and international levels. Choosing the Canadian School of Tashkent for your child's future is the right decision because we are:

1

Uzbekistan's first Canadian school, sparking curiosity and creativity among students through the infinite possibilities of digital education.

2

An English-medium school with world-class Canadian and international curriculum.

3

Leveraging the world's best education system supported by highly qualified teachers and staff.

4

Pursuing students' educational and personal excellence through a wide range of co/extra-curricular initiatives such as sports clubs, student societies, and international competitions.

# CURRICULUM

**We implement an integrated mix of Canadian and international curriculum at the preschool, primary and elementary levels.**

Our world-class curriculum is taught by highly qualified national and international teachers who are among the most passionate educators in Uzbekistan.

As part of our efforts towards innovation and educational excellence, we integrate digital education approaches into our teaching and learning systems.

Through an emphasis on digital education, we offer our students the ability to choose what they learn, including a suite of courses that allows them to pursue their desired learning path through a combination of core and enrichment courses.

**Our core curriculum and content are offered through digital platforms such as 1:1 devices, contributing to inspiring a passion for learning among our students.**

# OUR PEOPLE

**We bring together highly qualified teachers and education leaders to educate and inspire our school community. Our staff have been carefully selected to deliver the educational outcomes we aim to achieve.**

The teaching team consists of local, Canadian and other foreign teachers who follow the curriculum with great responsibility, professional ability, diligence, and constant application of digital learning for the 21st century.

Our team brings several decades of practical experience in education administration and leadership in Uzbekistan and internationally.

Our teachers have the necessary qualifications and experience to deliver an exceptional international curriculum to our students, tapping into the best learning and teaching approaches in the Canadian education system.
